QUALITY SAFARI**

Hunting Packages

Damara African Safaris offers yearly special packages. These packages are at a reduced price, to offer the most affordable hunts to our clients. and includes many of the most wanted species.

- All animals are subject to availability - e.g. the effect of drought etc. Trophy fees are payable in respect of all animals bagged or wounded.
- When you change the animals in your package, the price will be adjusted accordingly, alternatively:
- Provide us your wish list and we will tailor-made your own fully inclusive package for you.
- Hunters to hunt 2:1 unless travelling and hunting alone. That means 1 x PH and 2 x Hunters.
- Hunters have the option of hunting the package 1:1 - 1 x PH and 1 x Hunter at \$450 per day.
- You can however plan your entire trip yourself.
- You determine the number of days you have available to hunt, pay a basic daily fee, and then just hunt for the species you choose from the price list.
- There are no minimum or maximum days.

• **A la carte Safari:**

- Daily rate includes 15% government tax.
- Prices as per our standard price list.
- Any animal wounded and lost at the time your safari ends or shot and NOT exported from South Africa is subject to VAT, Value Added Tax of 15% added onto the trophy fee. (This is South African law).
- Any animal not exported out of South Africa 15% VAT tax must be charged onto the animal's fees.
- Exporting even just one part or some parts of the animals you hunt will mean no VAT tax needs to be charged.

RIFLE HUNTING

A registered Professional Hunter must accompany and guide all clients hunting in South Africa. All the PH's hunting for Damara Africa Safaris have years of experience in hunting and tracking.

There are numerous advantages to booking a hunting package, the most self-evident being the cost - Our listed trophy prices and daily rates are reduced in our packages, meaning fantastic value for money!

LONG RANGE HUNTING

THE GREATEST LONG-RANGE ADVENTURE IMAGINABLE

Move from paper targets to live game - up to a distance of 1,000 yards. Long range hunting provides the chance for hunters to truly test their shooting and hunting skills and the opportunity for making a significant shot during a day's hunting. Damara African Safaris has established the maximum effective range to prevent unnecessarily wounding animals and spending inordinate amounts of time tracking them. The Long-range hunting is very specialized, and the hunter must have good rifleman skills. Our professional hunters come equipped with their own spotting scopes, a deep understanding of the spotter's role and the required set-up involved.

OUR TEAM

The Damara African Safaris team consists of a select combination of South African and US resources designed to provide the client with professional guidance and support – from the time you decide to go, through arrival in Africa, the safari & getting all the way back home with your memories and trophies. Our team have all been in the hunting industry for most of their lives and are extremely passionate about their work. We take great pride in going the extra mile in making our guests' visit unforgettable!

TOM HALLIWELL
